Polyurethane Foam Custom Cushions Furniture Manufacturer

Company Overview

Aureta Living Indonesia is a distinguished name in the luxury furnishings industry, specializing in the creation of custom cushions, custom furniture, and custom upholstery. With a deep commitment to quality, innovation, and craftsmanship, our products are tailored to meet the unique needs of our clients, whether for personal homes, businesses, or specialized settings such as marine environments.

A dark, industrial factory setting with large blocks of polyurethane foam and metal scaffolding. The scene is dimly lit, with a large, dark, conical object hanging from the ceiling. The background shows a complex network of metal beams and pipes, suggesting a manufacturing or storage facility. The overall atmosphere is gritty and industrial.

About Us

Aureta Living Indonesia

Our Story

Aureta Living Indonesia, formerly known as Jaya Makmur Abadi since 2020 in Jepara, Indonesia, began with polyurethane foam processing for indoor use and recycled polyester silicon fiber and dacron production for custom cushion factory and bedding goods. Our commitment to sustainability is reflected in our use of recycled materials. With skilled experts, we prioritize quality, neatness, and durability in every product.

2022, we expanded our R&D to offer custom cushions with personalized designs and high-quality materials. By 2023, we specialized in luxury custom furnishings for both indoor and outdoor settings.

2024, Aureta Living Indonesia was born, introducing innovative products and services, including Aureta DryFoam—a world-class open-cell foam designed for outdoor and marine cushions. Aureta DryFoam features superior breathability and safety certifications such as **SGS**, **CertiPUR**, and **OEKO-TEX**, ensuring it is free from harmful chemicals and safe for everyday use.

Luxurious Product

At **Aureta Living Indonesia**, we source top-quality fabrics that meet both international and local standards. Our selection includes durable, sustainable, and safe materials, chosen for their superior quality. This ensures our cushions, Patio Umbrella, Upholstery, and furniture are not only luxurious but also long-lasting.

Luxury Cushions

Inside Aureta's Custom Cushion World.

Aureta Living Indonesia offers premium luxury custom cushions designed for indoor, outdoor, and marine environments. Our cushions feature Aureta iFoam for indoor use, providing superior comfort and durability. For outdoor and marine cushions, we use **Aureta DryFoam**, a revolutionary open-cell polyurethane foam that dries faster and is engineered for ultimate performance in wet environments. **Aureta DryFoam** is anti-microbial, anti-fungal, and more durable than traditional foams, making it ideal for poolside and beach settings. With Aureta DryFoam, you can relax knowing your cushions can withstand the elements while maintaining their luxurious feel and quality.

Aureta DryFoam features superior breathability and safety certifications such as **SGS**, **CertiPUR**, and **OEKO-TEX**, ensuring it is free from harmful chemicals and safe for everyday use.
